

XIAMEN KINGSTAR

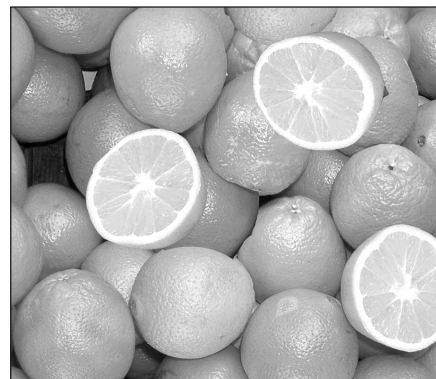

mandarin oranges, cherries, sweet corns and mushrooms etc.

XIAMEN KINGSTAR has been serving leading supermarket chains in Europe for years thanks to its top quality products, timely delivery and perfect pre-sales and after-sales service.

The biggest advantage and main concern of our company is quality, which is our life. That's why there are 9 skilled/ qualified persons working in our Q.C. dept..

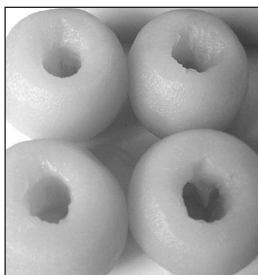

We have one branch office each in North and South of China which control the quality from raw materials till end products.

XIAMEN KINGSTAR IMP. & EXP. CO., LTD. is a professional exporter/trader of various processed foods originating from China.

Our main business is Canned / Frozen / Dehydrated / Freeze-Dried fruits and vegetables, and the main markets are Japan and Europe.

For Japanese market, the main products we supply are: canned yellow peaches, white peaches, bamboo shoots, strawberries,

We supply our products only from few biggest producers in China who have perfect quality policy and management system and enjoy good reputation worldwide.

Another concern of us is to look for "new products" for our customers or help them to develop "new food items" to meet the demand from final consumers.

As a One-Stop Source Solution for various processed food products from China, XIAMEN KINGSTAR commits itself to supply global customers not only its top quality products but also its efficient and professional service.

Your One-Stop Source Solution for canned, frozen, freeze-dry vegetables and fruits from Far East

With more than 10 years professional knowledge in the food industry and the updated E-commerce technology, we promise that we can create a powerful platform for food trading, provide a diverse portfolio of processing food products, and offer an efficient service to our overseas clients. Our overseas clients trust in our excellent and professional handling skills.
